Sir:

In response to the Office Letter mailed 2002 Nov 06, please amend the above application as follows:

**CLAIMS:**

1-5 (cancelled)

7. (new) A system for assembling, accessing and maintaining a portable personal inventory, comprising:  
a hand-held controller device providing data processing circuitry, a power supply, a display, a means for manual data entry;

incorporating a barcode scanner;

providing software enabling said controller to interpret Universal Product Codes and other barcodes, and to accept data input entered by said means of manual data entry, offering
